## Press Release – For Immediate Use

### **£1,000 Grant for the Hull People's Memorial**

The Hull Remembers team are very pleased to be able to report receiving a £1,000 contribution from 'Sports Relief Community Cash 2012' through the Two Ridings Community Foundation. The funding has been received as a contribution towards the Hull People's Memorial project, which aims to raise a memorial to the people of the city who lived through, or fell victim to, the bombing of the city during the two world wars.

The Hull Remembers team are very keen to raise the awareness of the whole UK to the suffering of the people, and the city, of Hull. Beyond the boundaries of the city few realise that Hull suffered more than any other UK city or town. Since the end of the Second World War there have been many attempts to raise a memorial but, for a variety of reasons, none have gone ahead. The support for the Hull People's Memorial has been huge and with the backing of Lord Prescott, the city's MPs, the Lord Mayor and the Leader of Hull City Council; we feel very confident in saying that this time, it will happen.

If you would like to know more about the memorials of Hull, the Hull People's Memorial project, or make a donation to the Memorial Fund; please visit [www.hull-remembers.co.uk](http://www.hull-remembers.co.uk) or drop in to the Carnegie Heritage Centre any Monday afternoon.
